APPLY FOR CFSA

Applications for CFSA open in May, and we're always looking for new, engaged members! Applications are open for anyone going into 10th, 11th, or 12th grade.

OUR VISION

We aim to increase the ease of engagement of *FIRST* programs to underrepresented groups by promoting and developing resources through in-person events, webinars, and forums.

OUR MISSION

Our mission is to spread the values of *FIRST* and support underrepresented groups while increasing connections across FIRST programs through student representation to inspire students to be leaders in science and technology for the future.
